Spring Social Tournament

Last Sunday, the 25th of April, we were able to run our first social tournament in a very long time. 12 ladies and 8 gentleman attended and played over two hours of tennis rotating between partners and opposition trying to win as many games as possible across 6 x 15 minute matches. The format enabled members the opportunity to play with people they've not played with before and the handicapped format meant all matches remained competitive.

Congratulations to Sandra Buckeldee and Andrew Davidson who emerged as victors of the women's and men's contests both winning 22 games throughout the afternoon. Pictured enjoying a well earned socially distanced drink at the club bar afterwards - thirsty work running around in the sun all afternoon.

We hope to run another social tournament in the early summer and that people who weren't able attend this one will be able to join. Thanks to Andy who arranged and co-ordinated everything as well as managing to play and do so well!

Booking system latest

The FastCourt booking system trial has gone extremely well and we will be continuing with this going forward. The feedback has been very positive. You may of course just turn up and play but if a member has booked the court you are playing on they have priority and may ask you to move to a different court.

The Cricket section has now also moved to join our booking system as well so you will have seen an email announcing that the booking system is now under the umbrella of Farnham Common Sports Club and with a new link, please check your email if you are having any issues with booking or contact Sue Salmon suemsalmon@aol.com.

Court booking is for members only, please remember to add all the players onto the booking. If members want to invite a guest to play with them, please choose guest one, (plus guest two if there are 2 guests), from the "add a player" drop down box and pay the £5 per guest fee directly to the sport club account:

Name of account	Farnham Common Sports Club
Type of account	Business
a/c no	65514188
sort code	08-92-99
reference	Guest fee and your surname

Please list all the players when you book a court. If they are child members who are not on the system, just pick child one, child two from the drop down box.

Singles ladders

The Farnham Common Men's Tennis Ladder started on April 1st with 20 entered and since then two more have joined making a total of 22 players who are keen to get involved in some friendly competition.

As of 28th April 20 matches have been played and 15 have been won by the person challenging upwards meaning lots of people moving up and down and hence opportunities for players to play different people (often who they've never played with before). We plan to continue the ladder running until the early autumn and people can join anytime so please do contact Andrew Davidson (Andrew.davidson5000@gmail.com) if you are interested in getting involved.

There are a number of ladies in a separate singles ladder, please let Maggie Southerden know if you want to join that.

Courts 3 and 4 repainting 13th / 14th May

Exciting update, Courts 3 & 4 will be re-painted by Colourcourt Ltd on 13/14th May. The courts will be thoroughly cleaned and then re-painted with dark green playing area and light green run backs.

Although the painting should only take a couple of days, these courts will be out of use from 13th-21st May to allow time for the paint to harden properly, they will not be available to book. But will be ready just in time for half term!

Ball machine in action

We shared the photo of our ball machine in it's new home in the Pavilion last newsletter. Delighted now to announce it's made a few appearances at club evenings. Your newsletter Editor can personally confirm it's very simple - you alone are in control and it's an amazing way of practicing shots. £10 annual fee for hire and please ensure you've had a briefing on how to use it beforehand. Contact Alan Polding alanpolding@btinternet.com if you haven't been briefed. Note - it's a 2 person job to get it out of the cupboard and Pavilion, over 18's only.

Here's Maggie our Ladies Captain setting it up one club night - took her less than 5 mins before the machine was in action - easy peasy. Check out our Facebook group for a video of the machine in action.

New member play

As well as the new members we have already welcomed, we have a consistent number of potential new members. We are very welcoming as you know, some prospective members have joined the club evenings which has been great to see. If you do know of anyone interested in joining please remind them they are welcome to join us for a hit with a committee member if they would prefer that to a club evening.

Fixtures

Matches have now started again. Looking forward to seeing how we perform in the next few weeks!

Fixtures will be posted on the club website <http://fcsc-tennis.weebly.com>

If you would like to play in a team and haven't been in one before, please contact Maggie Southerden m_southerden500@hotmail.com as the Ladies Captain or Paul Morgan as Mens Captain to express your interest.

Wimbledon update

With the weather recently we're all getting ready for strawberries - so great to hear confirmation that Wimbledon is on!

Update as of 28 April 2021: The All England Lawn Tennis Club (AELTC) today outlined our aspiration to kick off the British summer of sport in style with the return of The Championships in 2021.

Chairman Ian Hewitt commented: "I would like to say how excited we are that Wimbledon will be back this summer, with the best tennis players in the world competing on our grass courts, in front of our passionate spectators. While it will, necessarily, be different from Wimbledon as we know it, we are full of enthusiasm and totally committed to our return following last year's cancellation."

Chief Executive Sally Bolton added: "We would like to thank all those with whom we continue to work across government, public health and other sporting bodies for their support to make this a reality, to bring back sporting events in the way that we all recognise. Our priority has and will always be to do this safely, with the support and trust of all our stakeholders."

Finally

As always, please keep an eye open on facebook, the website and the LTA site for latest guidance. Latest guidance can as always be found here, last updated 9th
